Boys at school see me and they think I'm just a dumb girl, mostly because I look real young and I have small titties. But I am so a grown up: I've done nine blow-jobs; I let two guys lick my pussy; and I've done full sex with four boys! Oh, and I let this total stranger stick it in my ass. Crazy, huh? I was at this party and everybody was totally wasted (me, too!) This guy came up behind me and reached around to squeeze on my boobies. Then he lifted my skirt and stuck his finger up my butt! Before I knew it, he had his dick up there and was spoogin' up my ass! And I still don't know who he was!

She looks so sweet and innocent with those itty-bitty boobies...not! This girl is one serious 'ho!

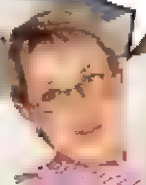

Teen

You're even more famous now, what with about a million guys jacking off onto both your titties!

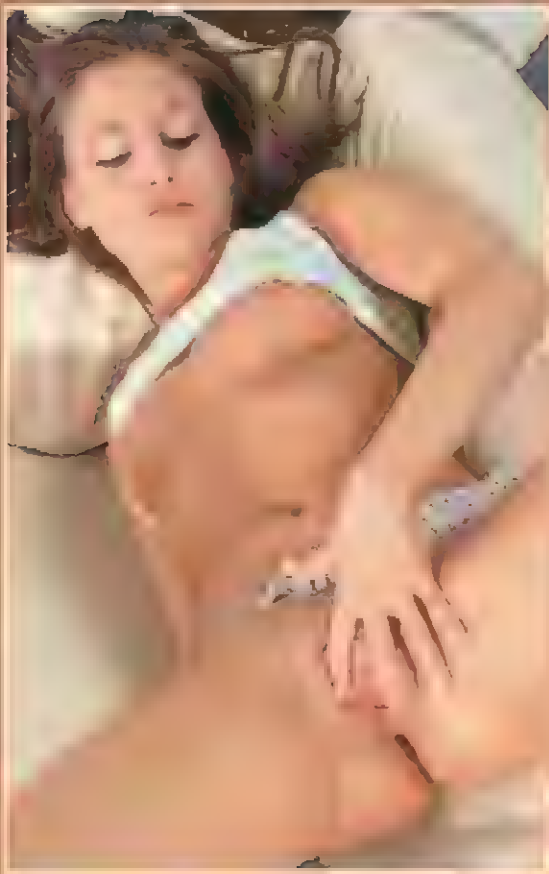

A lot of girls hope they'll be famous when they grow up, but I know for sure that I'm going to be a supermodel and do the whole red carpet, catwalk thing. See, for one thing, I'm way hotter than most girls my age, duh! Plus I'm totally cool about showing off my body and I don't even care if people can see everything, you know? Like, I pulled a "Janet Jackson" at Prom last year (oops!) and I wasn't embarrassed or anything, mainly because all the guys had hard-ons under their dress pants! And I'm pretty sure that most of them jack-off whenever they think of how I flashed my pretty little tittie. So, hey, I guess I'm already a little bit famous after all!

Nicole

I went out with this guy from my Trig class and he talked me into blowing him. It was okay, but I found out later that he'd bet his buddy \$20 that I'd suck him off. What a shit head! I was majorly pissed. But I got him back. My best friend went out with him and she got him all horny, like she licked on his dick through his jeans and rubbed on his sac and stuff. And she talked all dirty to him about the things she was gonna let him do. After he was about ready to bust a nut in his jeans, she just took off. Talk about blue balls! And of course we told everyone about it — he was so embarrassed!

I'll bet
\$20 that you'd
love to have those
pigtails bobbing up
and down on your
dick!

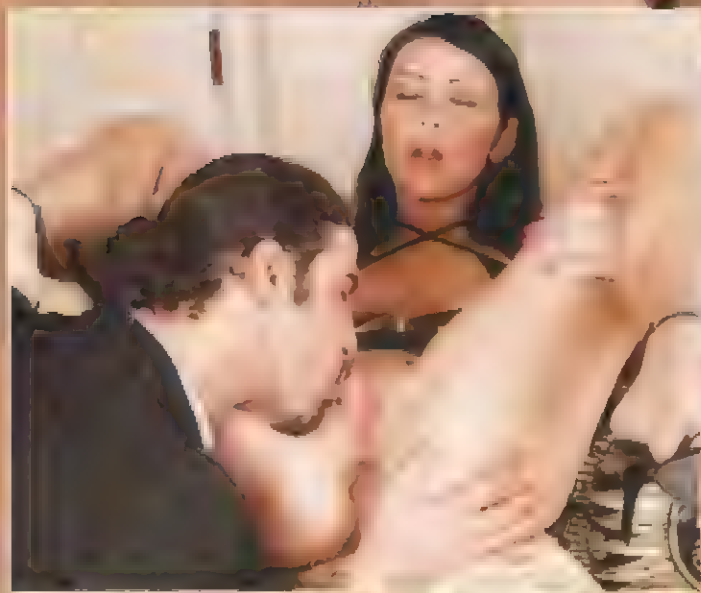

Camilla & Ken

These
two are perfect
for each other! No
lovey-dovey shit,
just good
old-fashioned
fucking!

I have this great fuck buddy, but we only get to do it once a week 'cause he's married. You know, he has a wife and two kids and a goldfish or something. I don't give a shit about that, though, I just care about his tongue and his dick, in that order. See, when we're together, the first thing he does is lick my clit until I cum like *crazy* all over his face. By then I'm dying for his dick so I make him fuck me really hard until my pussy explodes again. The next night I suck him off, we do it with me then he goes home to his little wife and leaves me alone 'til I'm ready to get laid again!

Mmm,
nothing like a
nice, foot-long
cucumber to
get a girl's
cunt juice
flowing!

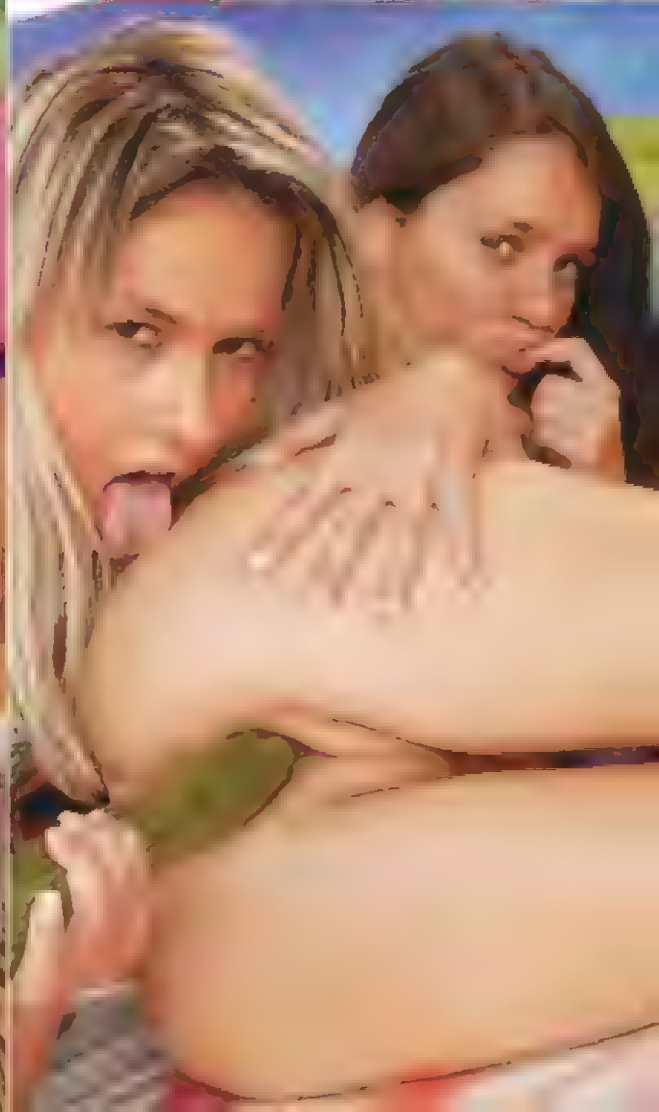

Look what my friend Monica found in my mom's new garden! I don't even know exactly what it is (Monica says it's a mutant cucumber!) but I know she sure likes it up her cunny. I stuck it up there and pretended to be a boy, you know, I was doin' it in and out and stuff. She started touching her girly-button and pretty soon she was squirming and cummin' like crazy. Then she stuck it in me, only she used her tongue on my ditty, too, until I got all gooey and squirted my juice on her face! So I'm gonna hide the cucumber (or whatever the heck it is) in the fridge so we can use it next time we do a sleepover!

Jingle

Jingle bell,
jingle bell, jingle
bell cock! Jingle
balls swing and
jingle balls
rock!

Last Christmas, my boyfriend gave me the bestest 18th birthday present ever! See, my birthday is on Christmas (that's why my name is Jingle, silly!) and he came over after my parents went to bed. I snuck him into my bedroom and we started making out like always. Only it was different, like, I was feeling way grown up and getting wet in my panties, you know? And when he unzipped his jeans so I could blow him, guess what? He had a red bow with jingle bells on his penis! Isn't that sweet? When I unwrapped his "present" it was like I was ready to go all the way, and it was awesome! Now whenever I hear jingle bells I get all tingly inside my tight pussy!

That's
not your fault,
darlin! What you
gotta do is get
back to fucking!
You'll see!

I never told anyone this before, but I'm not very good at sex. I did it once, but I think I screwed it up so bad that no boy will want ever me! See, I went on a date with this guy from school and we started kissing and stuff in his car. It got me so excited that I let him take my panties off and finger me. Then he stuck his wanker down there and kept sticking it in and out. I don't know what I did wrong but, after he shot his goo in me and dropped me home, he never called me again! Now I feel totally stupid about sex and I don't ever want to do it again!

Dasha

Maybe
another picnic?
You know, hide the
weenie, eat the
weenie, stuff the
weenie...

Veronica & Tom

I met this guy at work and even though he's way older, I asked him out on a real date! Can you believe it? It was supposed to be a picnic, but it started raining. I was so bummed! But it was okay because I made a picnic right in my apartment. I had a blanket and tent and everything! And I had potato salad and weenies! I burned them, tho, so instead, well, I ate his weenie! Plus I let him do full sex and everything. It was my first time but I didn't want him to know so I acted like I knew what I was doing. I was way scared, but I guess it worked 'cause he asked me out the next weekend!
